

OSAM Advantage

OSAM Document Solutions, Inc. gives you the necessary tools to capture and manage paper documents and other content (email, electronic documents, etc). Content that empowers your employees to make fast, accurate decisions that affect your customers and your business.

Whether influenced by customers that demand improved service and faster response times, pressure from your competitors to stay one step ahead of the curve or requirements from outside agencies that govern your business, improving the way your organization operates is a constant challenge. Here is how OSAM can help.

- > OSAM is the #1 ranked document imaging solution provider in the state of Arizona
- > We spend over \$200,000 annually training our certified professionals
- > We have a combined total of over 50 years of document imaging sales experience
- > Every year, over 98% of our clients renew their maintenance contracts
- > Over 75 million images have been converted from a competitive solution to ours
- > An OSAM client has never migrated their OnBase system to another competitive solution

OSAM gives you the tools to more effectively use the documents and other content that make up the flow of business. Your employees will have all the information they need to process transactions immediately available to them - enabling them to do more work in less time.

Please contact OSAM to speak with a certified document specialist.
