RE: FY14 Navajo County Deferred Prosecution Report

Pursuant to Statute ARS §11-362, I am sending this report to you in regards to Navajo County Attorney's Deferred Prosecution Program.

The Navajo County Attorney's Office Deferred Program allows low risk defendants who have been charged with crimes to enter into deferred prosecution agreements whereby they admit their guilt and agree to make amends for their crimes in exchange for having their criminal charges deferred for a period of time.

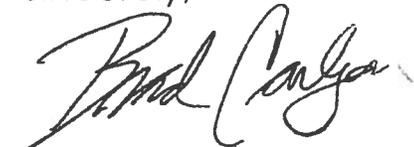

If the terms are successfully complied with, the criminal charges are dismissed. However, if the defendant fails to comply with terms or if they commit a new criminal offense, then prosecution is resumed.

During the period of July 1, 2013 through June 30, 2014 the Navajo County Attorney's Deferred Prosecution Program has had approximately 75 new individuals in the program.

Of the new individuals in the program, 2 of them are felony cases and the remaining 73 individuals are misdemeanor cases. During this time period 92 cases

have been concluded successfully and 13 terminate unsuccessful. There are currently still 39 individuals still on the program.

Sincerely,
