Open Meetings – Overview

Arizona's Open Meeting

Law

It is the public policy of this state that meetings of public bodies be conducted openly and that notices and agendas be provided for such meetings which contain such information as is reasonably necessary to inform the public of the matters to be discussed or decided. Accordingly, Arizona's Open Meeting Law must be construed in favor of open and public meetings.

Meeting Notices, Agendas, and Minutes are often available on the public bodies' website.
